Indonesia is an archipelago consist of about 17,000 islands and their peoples are well known Seafarers from long time back. In the modern time, Indonesian Seafarers known for their loyalty and hard working seaman. With the growing demand of Indonesian seafarers and amounting requirements by ISM Code and STCW95, we start this Manning Agent Company in 1999. Our Crewing Staff are all retired Merchant Marine Officers covering all ranks onboard with at least 15 years sea time and 7 years in Crew Management. They are all familiar and certified with ISM Code Training, STCW 95, ISO 9001, DNV's CMO and all related Maritime / Flag State Legislation including the latest requirements such as ISPS, ISO14001, OHSAS18001 as well as TMSA2, TOTS. We occupy our own building with total of 600 sqm office space where 100 sqm dedicated for In House Training and assessment. We are now certified ISO 9001:2008 company.
